Dear Cape Life Team,

Internship Programme

On behalf of Thenga Projects, I would like to take this opportunity to thank Cape Life for the professional manner and outstanding service we were offered with relation to your Internship Programme.

Michelle Stein, your intern from Germany, has worked in our company for the last ten weeks and has proved to be a dedicated and constructive member of our HR team. Michelle was able to work equally well as both a member of our HR department and on individual marketing assignments. The whole experience has been of tremendous mutual value to both our Cape Town division and Michelle, who I believe has received positive work experience in return for her dedication and hard work.

I believe your internship programme is of great benefit to both parties and we look forward to continuing to work together with you in the future.

Best regards,

Ray Farrenkothen
Managing Director
